Durham Startup Bank Raises \$19 Million

DURHAM, N.C. – January 10, 2007 – FirstSource Commercial Bank (Proposed) concludes its capital raising efforts with \$19 million in total equity. This exceeds the state required minimum by \$5 million. The bank ended up with 342 shareholders. “We are very pleased with the amount of capital that we were able to raise and the quality of investor that we were able to attract”, said Don Draughon, proposed President and CEO.

As the bank prepares to open and establish its market presence, the bank also announces that it is changing its name to KeySource Commercial Bank. KeySource it is believed will be a stronger, more unique name for the bank. The new web site will be www.keysourcebank.com.

The bank will be a “business only” bank headquartered at the Diamond View II building (soon to be under construction) in the outfield of the Durham Bull’s Athletic Park. The bank plans to open its temporary offices in March in the American Tobacco Complex and move to its permanent location upon completion of the Diamond View II building. The bank is in the process of hiring its staff at this time.
